

håkan P110

pop killer

The **Håkan P110 Pop Killer** from Swedish microphone specialist mikrofonen.se is a very special pop killer that is specifically designed to effectively prevent plosives (pops) and, at the same time, to eliminate the audible colouration that other pop filters often display. It is extremely effective in killing pops without compromising the frequency response and character of the microphone.

The foam used in the P110 was carefully researched to maximise pop protection and minimise colouration - the specially selected foam is "hydrophobic" - this means that it will not absorb water. So moisture from the breath will not be absorbed by the foam and therefore does not stay on the filter to distort and colour the sound; it also makes it easy to clean.

Usage Notes:

Like any pop filter, the Håkan Pop Killer needs to have some space between it and the microphone to work effectively.

**The P110 Pop Killer is delivered as standard with a black frame.
The hydrophobic foam filter is 11cm in diameter and 20mm thick.**

Model	Description	£40.00	£48.00	
	P110 Universal Version with a 3/8" microphone thread for fitting to a microphone stand or gooseneck	£40.00	£48.00	
	P110 Gooseneck Std. clamp Version with an integral gooseneck with a 3/4" clamp for attaching to a standard microphone stand - gooseneck is 33cm long excluding clamp	£40.00	£48.00	
	P110 Gooseneck 1" Clamp As above, but with a clamp for larger microphone stands with a diameter of up to 1"	£40.00	£48.00	NEW
	P110 Gefell EH93-P <i>Gefell Version</i> with an integral clip to fit the EH 93-P shockmount - this version is suitable for the Microtech Gefell M930, M940 & M950 microphones and allows the microphone and pop killer to be rotated in the mount (pictured at the top with EH93-P shockmount and microphone).	£40.00	£48.00	
	P110 Gefell Ts <i>Gefell Version</i> with an integral clip for the M 930 Ts microphone in the EH 93-P shockmount - this version is also suitable for the Microtech Gefell M930, M940 & M950 microphones in the EH 93 (non-P version) shockmount (NB: the microphone and pop killer cannot be rotated in the non-P mount).	£40.00	£48.00	
	P110 Brauner <i>Brauner Version</i> with an integral clip that attaches the P110 to the elastic suspension of the Brauner Phantom microphone	£40.00	£48.00	
	P110 Neumann BCM <i>Neumann BCM Version</i> with an integral clip that attaches the P110 to the Neumann BCM 104 or BCM 705 broadcast microphones	£40.00	£48.00	Recently Introduced
	P110 INV-7HG-V version <i>INV-7HG-V version</i> - this version of the P110 is designed to attach to the Rycote INV-7HG III suspension orientated vertically, for use with the Gefell UMT 70S or MT 71S microphones (INV-7HG III not included)	£40.00	£48.00	NEW
	P110 INV-7HG-H version <i>INV-7HG-H version</i> - this version of the P110 is designed to attach to the Rycote INV-7HG III suspension orientated horizontally, for use with small diaphragm condenser microphones (INV-7HG III not included)	£40.00	£48.00	NEW
	Gooseneck Optional gooseneck with 3/8" male and female microphone threads for the P110 Universal version	£18.00	£21.60	
	P110 Foam Filter Pad Spare / replacement "hydrophobic" foam pop killer pad for all P110 versions - For increased hygiene, each user can have their own pad.	£12.00	£14.40
